

God Believes in Me

Whoever thought,
That God
Would believe in me?

I never did.

I know,
That my God
Created the Universe,
This World
And everything in it.
But believe in me?
You've got to be kidding!

I know,
That my God
Sent his Son,
To die for me
So that by his blood
I am saved.
But believe in me?
You can't be for real!

I know,
That my God
Created me,
Shaped me;
That I am awesomely
And wonderfully made.
But believe in me?
Don't try and pull the wool
Over my eyes my friend!

How can the God who
Created the Universe,
Sent his son to die,
And shaped me in the womb
Believe in me,
When I can't
Believe in me?

I know that God,
Created the Universe for me.
I know that God,
Sent his son to die for me.
I know that God,

Created me and that I'm awesomely
And wonderfully made.

But when I look in the mirror,
That is not what I see.
I'm nothing special,
Not gifted or talented
So how can God
Believe in me?

And yet Jesus chose me
I didn't choose him.
He chose me!
So why did he choose me?
Don't ask me!
I don't know!!
As I've said,
I'm not gifted or talented.

For some strange reason
That I do not know,
My God,
He believes in me,

Just like he believed
Zaccheas,
Up in a tree
Would change his heart
And be set free.

God sent his perfect son
To this imperfect world
And showed
What it means
To love the Lord your God
With all your
Heart,
Mind
And soul.

Jesus chose his disciples
From among common men.
They were nothing special
Not the Best of the Best
Nor were they gifted
Or talented.
But Jesus chose them
He knew

They could do
What he did.

And Jesus chose me
He believes in me.
He knows I can do it,
I can live like he lived,
Love like he loved,
And touch the hearts and
Minds of my friends.
I can walk on water,
Just like he did,
If I believe in me,
Just like he does.

'Carla is on the dangerous, yet exciting adventure of discovering her heart, walking hand in hand with her God – her creator, shepherd, friend, father & lover – and becoming truly "alive". She is finally beginning to live the life she's been created for and becoming the woman God has created her to be; the woman God originally intended when he created Eve and all the 'daughters' who came after.'

And for those of you who are interested in all the details –

Carla was born in Sydney, Australia in 1970; she grew up in Melbourne, Australia and had what you would call a pretty ordinary childhood. She has been "happily married" for 15+ years to Tim and they have three wonderful sons – Brydon, Kael and Xavier who bring them great joy (most of the time!) and who they are currently home educating.

"A little bit hippy, a little bit weird, a little bit alternative and a little bit left of centre" is a pretty good description of this 'dynamic duo' and their family.

She also loves reading good books, her family, her God, good food, adventure and romance, spending time with friends, good movies (especially 'Ever After', 'Lady Hawk' & 'The Lord of the Rings' trilogy), nature in all of its glory – although not so keen on spiders and slugs! And of course, she loves writing – poetry, short stories, novels & posts on 'Eve's Daughter' (www.evesdaughter.org) and 'The Great Adventure' (www.thegreatadventure.info).
